

## Bored

I'm sitting in front of my computer,  
Bored as can be.  
There must be things that must be done.  
Not chores please, not for me

With all that must be done around the house,  
How can it be boring, how can it be, for me?  
Things that need to be done  
Is not a challenge, can't you see?

The hours can be taken up,  
With things that need to be done.  
So tell me please, how can it be,  
So darn boring for me?

Am I lazy, can it be?  
That I only want to do the things,  
I want for me.  
Shame, shame on me.

Must get going now, forget the pen.  
Start doing the things, that need to be done.  
Before the wife gets home, wondering what,  
What her husband hasn't done.
